## Czech Out a Brick

Hotel Wilber, formerly known as the Wilber House, has been a historic staple in Wilber since it was built in 1895. Now is your chance to be embedded permanently in its rich Czech history. We are offering the opportunity to purchase bricks to be engraved and placed in the sidewalk located in front of this historic hotel.

- Permanently place your family legacy in our sidewalk
- Memorialize a loved one forever
- Highlight a special memory to never be forgotten
- Promote your business and show your community support

If you would like to purchase more than one brick and would like them placed together, please include a note and submit orders together. All entries shall be in good taste.
